ZUM FÜRCHTA SCHÖ a storytelling gourmet evening in the moonlight

Sonntag 18:15 o'clock

Duration: 3 hours 15 minutes

Immerse yourself in mysticism and customs with Hertha Glück
After the combined night-time ascent with the Montafon Kristbergbahn cable car, it's a leisurely walk to the St. Agatha miners' chapel, where the first legends and stories are told. A hot alcoholic or non-alcoholic drink from the copper kettle at the Bergknappenbrunnen is served as a warming snack. Then it's off to the warm parlour of the Panoramagasthof Kristberg, where history in stories and a delicious 3-course culinary journey into the early Montafon alternate. The crowning finale is the nightly moonlight ride in Silbertal, where the legendary hours end and many impressions accompany the journey home.

An exclusive evening with culture, customs and stories for connoisseurs aged 18 and over.
