Cross-country ski charity on the Kristberg

🕒 Samstag 10:00 o'clock

Every kilometre counts

On Saturday, 7 February 2026, a charitable cause is at stake on the Kristberg in Silbertal in the Montafon. Every kilometer run on the 9.3 km long panorama trail is covered by the [Montafoner Kristbergbahn](#), the [Panoramagasthof Kristberg - family Zudrell](#) ↗, the [Silbertal snow sports school - family Meidl](#) ↗, the [Silbertal community - mayor Thomas Zudrell](#) ↗ - and [carpemedial GbR - Werbekommunikation & Design](#) ↗ in cash converted. All proceeds go to the social institution [„Netz für Kinder“](#) ↗ ..

"We have a beautiful panorama trail on the Kristberg that is freshly groomed every day. It is also important to us that we also do campaigns that support children in Vorarlberg." This idea resulted in the first "cross-country charity" in 2015, reports Jürgen Zudrell, the managing director of the Montafon Kristbergbahn.

"It's very uncomplicated: Just come by and cross-country ski - without registering. Every kilometer that is run between 10:00 a.m. and 3:00 p.m. on the 9.3 km long panorama trail is worth 3.00 euros to us! And of course there is no entry fee for this event!" emphasizes the organizer.

The total amount, which will be raised on Saturday, March 16th, 2024, will be donated in full to the social institution "Netz für Kinder". "Because our youngest guests are particularly important to us," says Jürgen Zudrell and is looking forward to numerous participants.

Free rental equipment

Anyone who does not have their own cross-country skiing equipment or would like to try cross-country skiing for the first time on this day can rent equipment (provided by the Silbertal snow sports school and the Kristberg panorama inn) directly at the mountain station of the Montafon Kristbergbahn, where the start of the 9,3 km long panorama trail is available for hire. A heated changing room with a wardrobe is available for all participants at the mountain station of the Montafon Kristbergbahn. There are also two waxing spots on the route.
