Torrent path Vandans

🕒 Sonntag 9:30 o'clock

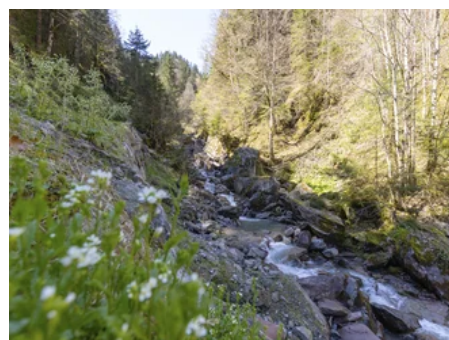

Experience the power of wild water

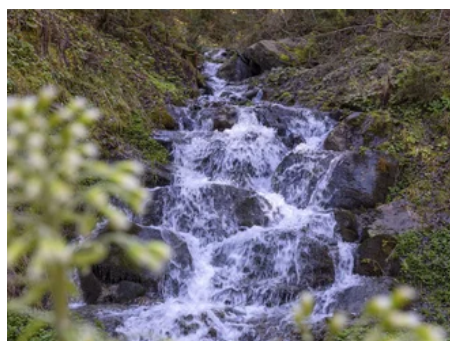

On this circular hike in Vandans you will experience the fascination of the torrents up close. Whether washed-out gorges, small waterfalls, bridges, torrent barriers or rushing "Tobel" - along the way you will always come into contact with the power of the falling water. Especially on hot summer days this hike is a pleasure, because you are always close to the cooling water and partly in the shady forest.
