Myth trail at the Genießerberg Kristberg

🕒 Dienstag 9:20 o'clock

Immerse yourself in the world of Montafon myths

The Silbertal, one of the most unspoilt areas of Vorarlberg, has always inspired the imagination. Legendary things are said to have happened on the Kristberg - both above and below ground. To bring these events to life, this hike along the legend trail leads through the world of Montafon myths. The trail also leads past the famous Silbertal open-air theatre where the annual legend festival takes place.
