Hike on the smuggler path in Gargellen

🕒 **Mittwoch 9:45 o'clock**

Cross-border hike with breathtaking views

Where all kinds of smugglers and muleteers used to roam, there are still well-maintained paths today. In a varied circular hike, the smugglers' trail leads over the St. Antönier Joch (2,379 m) past the Gafiersee (2,290 m) to the Gafierjoch (2,415 m). There is plenty to discover on the circular hike through the border area between Austria and Switzerland - including shy mountain dwellers such as marmots, chamois and ibex.
