Hike to the Garneraalpe with guided alpine tour

🕒 Montag 8:40 o'clock

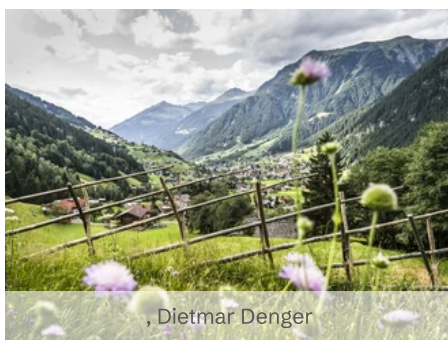

along traditional Montafon Maisäb landscapes

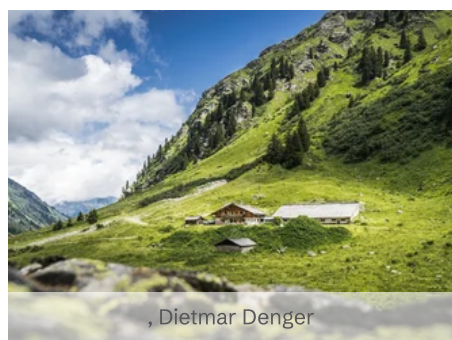

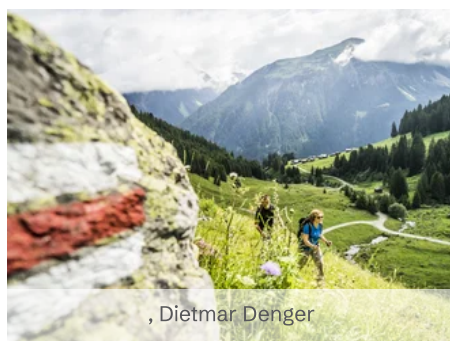

From the middle station of the Versettla cable car (1,480 altitude metres), the trail leads over the Maisäb Lifinar in idyllic scenery along the Garnerabach stream to the Garneraalpe (1,680 altitude metres). Once you arrive at the alp, you get an insight into alpine life and the dairy. Life on the alpine pasture is associated with wonderful nature experiences, but also with a lot of work. Refreshed, you head back down into the valley. Trained alpine guides with extensive knowledge of the landscape, farming and the historical development of alpine farming accompany you and make the hike a special experience.
