Hiking: Discover the Gargellner windows

🕒 Freitag 9:45 o'clock

Embark on an exciting exploration tour in the highest mountain village in the Montafon. Many people are already familiar with the Gargellner Fenster as a geological feature, which appear in the form of individual limestone rocks in the original primary rock massif. The new 'Gargellen Windows' provide a multi-layered view through all eras along a charming Maisäß landscape and allow visitors to experience the Gargellen of today in its entirety.
