Children: fun and games at the alpaca farm

🕒 Dienstag 9:30 o'clock

At Alpakahof Mair you will get to know the alpacas Rocco, Rio, Lascar and Yaris and learn more about their everyday life. While petting and feeding them, you will gain their trust and build up a bond before taking them on a short hike. Of course, there is also plenty of playing. To make sure you still have enough energy for the afternoon programme, you will take the Versettla cable car up to Nova Stoba at noon, where you will get a snack. In the afternoon, you can play and explore again at the Animal & Theme World at the Nova Stoba mountain station. Translated with www.DeepL.com/Translator (free version)
