On a discovery tour on the Gaglaweg Vandans

🕒 Montag 9:30 o'clock

Duration: 3 hours 30 minutes

Out and about in the mountains with fluffy companions (children's programme)

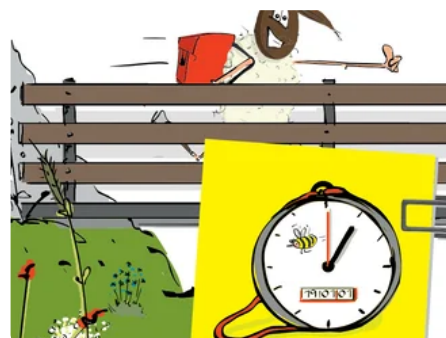

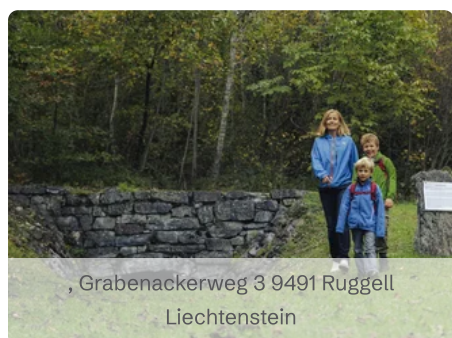

Discover house building in Vandans together with Erna and immerse yourself in the world of architecture. The traditional Montafon house consists of a whitewashed stone part and a dark wooden part, although this is by no means the only special feature. The Montafon building culture is reflected here in the most diverse areas of village life. The child minders will give you a measuring tape, magnifying glass, stopwatch, thermometer, compass, binoculars and crayons. Together with them and Erna the stone sheep, you will go on a 4 km adventurous journey of discovery around Vandans and solve various puzzles along the way. Look forward to an exciting morning.
