

Silvretta Montafon

Das sportlichste Skigebiet Vorarlbergs

Are you looking to kick back, relax and spend a few laid-back days socializing with friends? Or do you prefer active vacations with a new challenge each day that pushes you to your limits?

Summer

Experience the Alpine world of Montafon from the Silbertal valley to Gaschurn and back again. Whether you choose to travel by mountain bike, walk or run, you will find a real challenge here: from hiking and forest paths to narrow, steep trails, everything you could wish for is available. If you would like a break or want to take things somewhat more gently, simply climb into the gondola and let yourself be carried for a while. Hikers and nature lovers can immerse themselves in a new world in the Seetal area above the ski tunnel: a long, stretched-out basin with three natural lakes. The Kälbersee and Schwarzsee lakes offer laid-back activities such as gold panning, stand-up paddleboarding and building rafts.

Winter

Silvretta Montafon offers all winter sports enthusiasts 140 well-maintained kilometers of piste, 35 ski lifts and 70 diverse freeride routes; the perfect conditions for an active vacation.

Countless powder slopes guarantee pure freeride enjoyment. Freestylers of all levels will find inspiration for creative runs at the Snowpark

Detailed description

Are you looking to kick back, relax and spend a few laid-back days socializing with friends? Or do you prefer active vacations with a new challenge each day that pushes you to your limits?

Summer

Experience the Alpine world of Montafon from the Silbertal valley to Gaschurn and back again. Whether you choose to travel by mountain bike, walk or run, you will find a real challenge here: from hiking and forest paths to narrow, steep trails, everything you could wish for is available. If you would like a break or want to take things somewhat more gently, simply climb into the gondola and let yourself be carried for a while. Hikers and nature lovers can immerse themselves in a new world in the Seetal area above the ski tunnel: a long, stretched-out basin with three natural lakes. The Kälbersee and Schwarzsee lakes offer laid-back activities such as gold panning, stand-up paddleboarding and building rafts.

Winter

Silvretta Montafon offers all winter sports enthusiasts 140 well-maintained kilometers of piste, 35 ski lifts and 70 diverse freeride routes; the perfect conditions for an active vacation.

Countless powder slopes guarantee pure freeride enjoyment. Freestylers of all levels will find inspiration for creative runs at the Snowpark Montafon. Whether you're a skier or not, you can book an unforgettable experience with mountain experiences. And did you know that Silvretta Montafon also boasts the longest floodlit toboggan run in Vorarlberg? How does taking a deep breath and soaking up the view of the Montafon mountain landscape sound? It's easy - head to our cozy nine mountain restaurants to sit back

and savor some culinary delights. Your sensations and unique experiences on the mountain are what really count towards making your skiing vacation truly special. That's why we want to lay the foundations for your intense mountain adventure.
