Hiking: Summit tour Sonnenberg Itonskopf

🕒 Dienstag 9:20 o'clock

This challenging summit tour to the sun-kissed Itonskopf high above the Bartholomäberg delights body, mind and soul in equal measure. From the mountain station of the Kristbergbahn cable car, your route first leads you through shady forests up to panoramic trails high above the Montafon. Here you can already guess what awaits you on the Itonskopf: an unrivalled panoramic view. The last section to the summit requires a little surefootedness, with a steel cable providing good support. You will be rewarded with a breathtaking 360-degree panorama where you can see up to 500 peaks in six (federal) states in good visibility.
